

China Business Visa Requirements – Los Angeles Consulate

This information applies to any US-based traveler living in the following States, Territories and Southern California Counties:

- **Arizona**
- **Colorado**
- **Hawaii**
- **New Mexico**
- **Utah**
- **American Samoa**
- **Guam**
- **Northern Mariana Islands**

Southern California: (Residents of the following Southern California counties must select Los Angeles: Imperial County, Kern County, Los Angeles County, Orange County, Riverside County, San Bernardino County, San Diego County, San Luis Obispo County, Santa Barbara County, and Venture County).

China Business Visas are typically issued for ten (10) years with multiple entries and stays up to 90 days in country, whereas non-US passport holders will be issued no more than a six- month double entry visa.

Three Steps to applying for your China Visa:

1. **Fill out the Form** below completely and save it to your computer.
2. **Gather and upload the following documents:**
 - Your original Signed Passport – valid for the next 18 months and with at least two blank visa pages side-by-side
 - A scan of your traveler's passport – showing your signature as well as your picture
 - A scan of two blank visa pages of your passport side-by-side
 - If a foreign national – a color scan of your Green Card, front and back; or your long-term visa (H1B, L1)
 - One recent passport photo – no more than six months old
 - Copy of your valid State issued Driver's License
 - A scan of all previous visas in your passport(s).
 - If you have a Chinese visa that is still valid or about to expire and it is not in your current passport, you must submit the original previous passport containing the visa. The Chinese Consulate will cancel the existing visa before issuing the new one. Your previous passport will be returned along with your current passport and the newly issued visa.
 - If your Chinese visa has already expired, a clear scanned copy of the expired visa will be sufficient for your application.
 - Former military may need to provide a copy of their military discharge documents.
 - **For Business Applicants Only**

- Letter of Invitation from a Chinese Sponsor with red chop – ([for LOI template, click here](#)).
Note: this invitation needs to be addressed to the correct consular jurisdiction, not you or your company.

- Either email all documents to e-visa@passportvisaadvisors.com or securely upload them by [clicking HERE](#).

3. **The Process** - once we receive all your documents, we will prepare your online visa application and upload your information and supporting documents to the Chinese visa portal for consideration.

After approximately 4–5 business days, the Chinese Consulate will review the digital application and notify us when they are ready to receive your physical passport.

At that time, we will personally submit your passport and application at the Chinese Embassy or Consulate. Once the passport is accepted, the official visa processing time begins.

When the visa has been issued, we will return to the Embassy or Consulate to collect your passport with the newly issued visa, pay the applicable visa fees, and securely ship the completed package back to you.

Please allow approximately two weeks for the entire process.
